Dandar, esq., Second Assistant Postmaster General, and structure of the contract of the mail between the city of the post of the post of the contract of the analysis of the post of the contract of the analysis of the post of the contract of the analysis of the post of the contract of the analysis of the post of the con

The Navy Department consists of the Navy Department proper, being the office of the Socretary and of five bureaus attached thereto, vis: Bureau of Navy-vards and Docks, Bereau of Construction, Equipment, and Bepair, Bureau of Provisious and Ciothing, Bureau of Grduance and Hydrography, and the Bureau of Medicine and Surgery. The following is a statement of the duties of each of these offices and of the force employed therein:

of the force employed therein:

Seretary's Office.—Hon. Issue Toucey, Secretary of the Navy; Charles W. Weish, esq., chief clerk, and eleven clerks. The Secretary of the Navy has charge of everything connected with the naval establishment, and the execution of all laws relating thereto is intrusted to him, under the general direction of the Precident of the United States, who, by the constitution, is commander-in-chief of the army and navy. All instructions to commanders of squairons and commanders of vessels, all orders of officers, commissions of officers both in the navy and marine corps, appointments of commissioned and warrant officers, orders for the enlistment and discharge of seamen, emanate from the Secretary's office. All the duties of the different bureaus are performed under the authority of the Secretary, and their orders are considered as empanting from him. The general superintendence of the marine corps forms, also, a part of the duties of the Secretary, and all the orders of the commandant of that corps should be approved by him.

Bureau of Navy-Pards and Docks.—Commodore Joseph Smith, chief of the bureau, four cierks, one civil engineer, and one draughtsman.

All the navy yards, docks and wharves, buildings and machinery in navy-yards, and everything immediately connected with them, are under the superintendence of this bureau. It is also charged with the management of the Naval Asylum.

Bureau of Construction, Enginemat, and Repair.—John Lenthall, esq., chief of the bureau, eight clerks, and one draughtsman. The office of the engineer-in chief of the navy, Samuel Archbold, esq., is statiched to this bureau, who is assisted by three assistant engineers. This bureau has charge of the building and repairs of all yeasels—of-war, purchase of materials, and the providing of all vessels with their equipments, as sails, anchors, water tanks, 4c. The engineer-in chief superintonds the construction of all marine steam engines for the eavy, and, with the approval of the Socretary, decides upon plans for their construction.

Horner of Previsions and Clothing.—H. Bridge, purser United States navy, chief of bureau, and four clerks. All provisions for the use of the navy, and clothing, together with the making of contracts for fur-nishing the same, come under the charge of this bureau.

mishing the same, come under the charge of this bureau.

Bureau of Ordunez and Hydrography.—Capt. Duncan Ingraham, chief of bureau, four cierks, and one draughtsman. This bureau has charge of all ordnance and ordnance stores, the manufacture or purchase of camon, guns, powder, shot, shells, &c., and the equipment of vessels of war, with everything connected therewith. It also provides them with maps, charis, chronometers, buyometers, &c., to gether with such books as are furnished ships of-war. "The United States Naval Observatory and Hydrographical Office" at Wastington, and the Naval Academy at Annapolis, are also under the general superintendence of the chief of this bureau.

permissione of the enset of this bureau.

Bureau of Medicine and Surgery.—Dr. William Whelan, surgeon United States navy, chief of bureau; one passed assistant surgeon United States navy, and two clerks. Everything relating to medicines and medical stores, treatment of sick and wounded, and management of hospitals, comes within the superintendence of this bureau.

WAR DEPARTMENT.

Hon. J. B. Floyd, Secretary of War, W. R. Drinkard, chief clerk, seven subordinate clerks, two messengers, and four watchinen. The ollowing bureaus are attached to this department:

Communding General's Office.—This office, at the head of which is jeutenant General Scott, is at New York. Leutenant Generals Scott, as at New York.

A NEW VOLUME BY A FRESH AND CHARMing writer.—Now ready, and for sale by all bocksoliers: Traito the Last; or, Alone on a Wide, Wide Sea; by A. S. Roe. One next
12mo vo time \$1.26.

There is no writer of the present day who excels this charming
author in the natural and home-like simplicity of his style, and the
natural interest and truthfulness of his narrative. In thousands of
families and Sabbath schools his books are read and re-read with ever
increasing delight. The young and old, the quiet and gay, are alies
faccimated by his pages. Rival editions of all his books here bee
published in England, edited by the Rev. Pr. Taylor, where they
have already receded the enormous sale of 120,000 volumes.
For sale at
